## What it is about :

Fun for families. Great for groups. Come together to camp and ride the weekend. Gather with your friends for the day on Saturday and enjoy some iconic Florida trails. Ride all day on miles of trails. At 2:00 p.m. try your hand on the poker. Pre-enter for the Pumpkin Run for a free ticket to have a chance at the raffles after the Poker Run.

Then there is the infamous Night Run. Riding on marked trails in the dark is a whole new experience. This fun event starts 30 minutes after dark. Be sure to bring an extra flashlight, just in case you breakdown. Sweepers will find you and help you out.

So, if you've been jones'n to ride some fresh trails for fun, come to the Pumpkin Run.
